Global Supply Exchange (GSE) can source a majority of woundcare supply products available to healthcare practitioners in addition to the woundcare products kitted above

Global Supply Exchange, LLC
6900 Tavistock Lakes Blvd, Suite 400
Orlando, Florida 32827

sales@globalsupplyexchange.com
407-813-2442

Place of Service is "12" (Patient Home)

Quantity is 30 for each dressing. In the column or field labeled Days/Units/QuanDty, enter 30 FOR EACH OF THE DRESSINGS BILLED. This is because you are billing for a 1 month supply of products

Use the correct CPT billing codes listed above and modifier A1 (if billing 1 wound), A2 (if billing 2 wounds), A3 (if billing 3 wounds), etc.(see above

There is no reimbursement for Wound Cleanser

If you are billing for wound debridement in the office, you cannot bill the wound care package the same day as the debridement. The 30 day billing period for the wound care package should start the day after the debridement
